

Investing in Caboolture

Estimated total investment in extended area: \$1,530,000,000

Rarely does an opportunity present itself to effectively integrate a proposed new multi-use precinct with surrounding land use. Northeast Business Park will enhance the community's lifestyle, provide important employment opportunities and promote more ecologically sustainable land use practices.

Northeast Business Park offers an \$880 million investment into the Caboolture region, creating:

- 👍 3,300 construction jobs; and
- 👍 9,000 long term, permanent and casual, local employment opportunities.

Northeast Business Park is a benchmark project in terms of:

- 👍 Sustainable development; and
- 👍 A fully integrated multiuse business precinct with eco and marine lifestyle benefits.
