BURPENGARY  
Queensland 4505

1<sup>st</sup> September 2008

ATT: Mr. Jeff Smith  
PO BOX 1001  
Spring Hill, QLD 4004

Dear Jeff,

The Caboolture River Boat Club wishes to express our gratitude to the Northeast Business Park for their generous community contribution in clearing and leveling land at our club premises.

We are grateful that Northeast Business Park, being a large development, promotes and practices a high level of customer service. The particular employees that assisted our club in performing this clearing and leveling activity were professional and we would appreciate if you could pass on our gratitude to those involved in this work.

In addition to utilizing the Caboolture River Boat Club premises for club activities, we also use our premises and the access to the Caboolture River for a number of community social programs which include hosting charity organizations and their beneficiaries for fishing competitions, overnight camping adventures, games and structured activities. This contribution by the Northeast Business Park project is a milestone in our clubs' development which assists us to progress the club facilities to enable a greater community engagement.

A club project that we are currently working towards is establishing a clubhouse and associated amenities to enable our club to more actively host charity functions at our site and to enhance the social contribution we can make to the general community.

We appreciate the ongoing support of the Northeast Business Park and as active participants in the community, we would like to work with you in moving forward with your development and realizing whatever synergies there could be.

Please contact the undersigned for more information.

Yours sincerely,

Stephen Georgee  
Secretary
